Subject: RE: Puerto Rico - Motion to Remand

Hi Tucker,

Thanks for your email- The stay that the Puerto Rico Department of Justice has with Janssen is pursuant to the global settlement negotiations with Janssen and the big three distributors. Therefore, it is unique to those defendants. Puerto Rico cannot agree to a stay against the Teva Defendants at this time. I am happy to discuss further if you would like.

Thanks,
Sara

Subject: Puerto Rico - Motion to Remand

CAUTION:EXTERNAL

Hi Sara,

We wanted to discuss the motion to remand filed in the Puerto Rico case. Our understanding is that Puerto Rico's action against the Janssen defendants has been stayed. We would like to discuss the possibility of entering into a similar stay in exchange for Defendant's agreement not to contest remand. The deadline to file an opposition to the motion to remand is today, so we'd appreciate hearing back from you as soon as possible.

Thanks,
Tucker
